

SWEET TASTES

that work as hard as your people

THE J.M. SMUCKER Co
 Away From Home

From natural sugar to sugar substitute and everything in between, show your employees how much you care by stocking your breakroom with the great tastes of their favorite sweeteners.

Sugar In The Raw®

Give your employees a taste of the flavor that started it all, with pure cane sugar characterized by large crystals, rich molasses flavor and a golden hue. Whether for morning coffee, afternoon tea or whatever else they like to sip, **Sugar In the Raw** is the natural choice for sweetener satisfaction.

- On-trend natural sweetener
- Distinctive taste, texture and appearance
- Gluten free, kosher and vegan certified
- Non-GMO Project® Verified*

DID YOU KNOW... Sugar In The Raw turbinado sweetener delivers equal sweetness teaspoon for teaspoon as cane sugar

*Non-GMO Project® is a registered trademark of The Non-GMO Project

Stevia In The Raw®

Extracted from the leaves of the stevia plant, **Stevia In The Raw** offers a naturally sweet flavor without artificial colors, flavors, preservatives or sugar alcohols. Delight your employees' tastebuds with a taste that's sweet, natural and just the way they like it.

DID YOU KNOW... One packet of Stevia In The Raw has the approximate sweetness of two teaspoons of sugar

- Gluten free
- Kosher certified
- Vegan certified

Sweet'N Low®

The original zero-calorie sweetener, **Sweet'N Low** dissolves quickly in hot or cold beverages and brings the guilt-free sweetness your employees love to all their favorite food and drinks.

- Gluten free
- Kosher and vegan certified
- Meets lower calorie dietary needs

DID YOU KNOW... Sweet'N Low is about 2x sweeter teaspoon for teaspoon than traditional sugar cane
