About Us:

House of Doolittle® offers a full line of attractive "green" calendars and planners that help you plan for today while keeping tomorrow in mind. All of our products are made in the U.S. with recycled materials and printed with soy inks. (unless otherwise noted)

- 1919 Started the Business
- 1988 Decision made to produce quality products using recycled paper.
- 1989 Introduced the first recycled paper desk pad calendar.
- 1990 ALL House of Doolittle products made with recycled paper (10% post-consumer).
- 1991 Converted to recycled cover materials and book wire.
- 1992 ALL printing done with soy inks.
- 1993 Increased post-consumer content of all paper to 30%.
- 2003 Landscapes® Series introduced with 100% post-consumer paper.
- 2005 Earthscapes® Series introduced with 100% post-consumer paper.
- 2009 ALL House of Doolittle white paper products made using 100% post consumer paper.
 - Processed Chlorine Free (PCF)
 - Printed with soy inks.
 - ALL products made in the USA.

With House of Doolittle® products,
you're planning for more than
a day, week, month or even a year —
you're preparing for the future.
